BIG TREE MEDICAL

It's time to rethink your health benefits.

Businesses across Missouri are turning to Big Tree's innovative DPC model to provide better, more affordable care for their employees.

- **For companies with self-funded health plans:** We complement your existing coverage by reducing out-of-pocket costs through unlimited care and 180+ included medications – shipped directly to your employees at no cost.
- **For small businesses:** We offer an affordable alternative that makes offering health care possible – without the headache.

Let's build a better plan for your team!

Whether you're looking to enhance an existing health plan or start fresh, we'll work with you to create a custom solution that fits your team's needs and your budget.
